

MANDU

Collection Indienne

Story behind the collection

In India, summer does not arrive quietly. It bursts forth in full force: the world is bathed in golden light, scented with ripe fruit and warm earth, while the air shimmers with heat. In this climate, comfort becomes an art, and the right textile is more than a luxury. It's a necessity, softening the heat and bringing beauty, texture, and ease to daily life.

Technical specifications

| | |
|------------------|--|
| Reference | 18351 • Wheat |
