Collection Allures

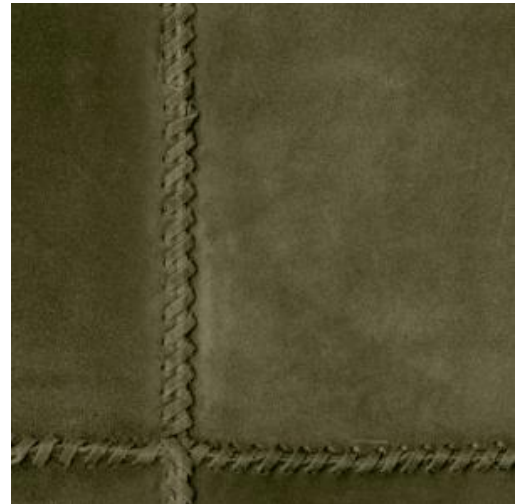

## Story behind the collection

The Allures collection pays homage to the French 'savoir vivre' of the nineteenth century. Classical motifs are reimagined with a contemporary touch, where refinement and craftsmanship merge through rich materials, meticulous handwork, and exquisite finishing.

| Remark           | Wallcovering crafted from 100% cowhide leather. Subtle imperfections, irregularities and colour variations may occur. Small deviations in the dimensions of the hand-stitched leather are inherent to the artisanal production process. As a result, a perfectly precise match during installation cannot always be guaranteed. |
