

# CARE & MAINTENANCE

---

Collection:	Les Tapisseries
Pattern:	Floraison
Reference:	97870 • Red Foliage
Composition:	Non-woven wallcovering
Description:	With its ornate frame, Floraison recalls the character of a classical painting. It is designed after an original 18th-century tapestry from Aubusson, and the composition draws the viewer almost irresistibly into the scene. The panorama is executed on a parchment-like base, emphasising the authentic origin of the drawing.

---

## During installation:

Carefully dab off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft cloth. Do this after installation of each length.

---

## Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by dabbing off the surface with a moist, lint-free, clean white cloth. Only use clear water, no soap.

Avoid excessive rubbing of the surface. Avoid excessive soaking of the surface.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.
