

CARE & MAINTENANCE

Collection:	Memphis
Pattern:	Sakkara
Reference:	23410 • Bister
Composition:	3D textile wallcovering on non-woven backing
Description:	Sakkara takes its name from the necropolis near Memphis, world-famous for its many pyramids, including Pharaoh Djoser's iconic step pyramid. This pattern is inspired by the breathtaking desert landscape and evokes the architectural rhythm of the pyramids through layered structures and rectangular forms. The velvety 3D textile gives the design a remarkably vibrant presence.

During installation:

Carefully dab off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft cloth. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by dabbing off the surface with a moist, lint-free, clean white cloth. Only use clear water, no soap.

Avoid excessive rubbing of the surface. Avoid excessive soaking of the surface.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
