

ARCILLA

Collection Terra

Story behind the collection

The Terra collection draws on the pure beauty of mosaic, clay and terracotta pottery. The hand-shaped patterns were crafted using lime plaster, imparting rich texture and character. These hand-made designs served as inspiration for a 3D textile wallcovering with a super-soft suede look and feel. The result is a highly realistic representation of weathered rock in which every detail and unevenness is rendered with great precision, imbuing a sense of warmth and authenticity.
