

CARE & MAINTENANCE

Collection:	Essentials Kaolin
Pattern:	Hortus
Reference:	30351 • Silvery White
Composition:	Natural wallcovering on non-woven backing
Description:	Hortus is a distinctly decorative botanical design where imagination and refinement come together. The illustration is lush and playful, abundant with whimsical elements; just look at the details of the leaves and veins. Almost every part of the design is filled, leaving hardly any empty spaces. This creates an overall impression that is surprisingly soft and harmonious, almost like a faux-uni. The design is printed with matte ink on genuine cork, resulting in a beautifully weathered appearance.

During installation:

Carefully dab off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft cloth. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by dabbing off the surface with a moist, lint-free, clean white cloth. Only use clear water, no soap.

Avoid excessive rubbing of the surface. Avoid excessive soaking of the surface.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
