

# GREZZO

Collection Essentials Kaolin

## Story behind the collection

Natural materials such as basalt, minerals and cork form the basis of the Kaolin collection. Their specific look & feel pairs beautifully with the powerful, graphic patterns. The designs strike the perfect balance between purity and expression. They also radiate the finesse and character of traditional craftsmanship. A weathered fresco completes this refined textural collection.

## Technical specifications

|                  |                                                                     |
|------------------|---------------------------------------------------------------------|
| Reference        | <u>30381</u> • Mahogany                                             |
| Product category | Couture                                                             |
| Composition      | Natural wallcovering on non-woven backing                           |
| Description      | A refined design with real basalt flakes sourced from volcanic rock |
| Dimensions       | Width 91.44 cm (36") / sold by the linear metre/yard                |
| Pattern repeat   | Free match 0 cm (0.00")                                             |
| Adhesive         | Arte Clearpro or a good quality dispersion adhesive                 |
| How to paste     | Paste the wall                                                      |
| Light resistance | Good lightfastness                                                  |
| How to remove    | Strippable                                                          |
| Fire rating EU   | B-s1, d0                                                            |
| Fire rating US   | Class A                                                             |
| Maintenance      | Spongeable during hanging (dab away damp glue)                      |
