| Description: | Kinisi is the Greek word for movement, and the perfect name for this chevron design. Not only does the pattern itself display great dynamism, but the materials also contribute to a dynamic play of light. Fine strips of silk paper with a delicate sheen are then precisely arranged in a chevron pattern atop a brilliant metallic foil. |

## During installation:

Carefully dab off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft cloth. Do this after installation of each length.

---

## Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by dabbing off the surface with a moist, lint-free, clean white cloth. Only use clear water, no soap.

Avoid excessive rubbing of the surface. Avoid excessive soaking of the surface.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.
