

CARE & MAINTENANCE

Collection:	Zephyr
Pattern:	Eolian
Reference:	48 621 • Dune
Composition:	Textile wallcovering on non-woven backing
Description:	The beautiful Greek term 'eolian' means shaped by the wind. This design is inspired by the ripples in the sand that are so gracefully drawn by the wind. It combines sculptural matte paste and glossy foil, resting on a soft suede base.

During installation:

Carefully dab off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft cloth. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by dabbing off the surface with a moist, lint-free, clean white cloth. Only use clear water, no soap.

Avoid excessive rubbing of the surface. Avoid excessive soaking of the surface.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
