

CARE & MAINTENANCE

Collection:	Zephyr
Pattern:	Avra
Reference:	48 642 • Soft Eucalyptus
Composition:	Textile wallcovering on non-woven backing
Description:	An aura, or 'avra' in Greek, is an invisible atmosphere or a feeling surrounding a person, place, or object. This design captures that very essence, with an aura-like effect that seems to float around the drawing. Printed onto a fine fil à fil textile, it uses a generous application of ink to create a design that seems to hover gently on the surface, resulting in an enchanting effect.

During installation:

Carefully dab off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft cloth. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by dabbing off the surface with a moist, lint-free, clean white cloth. Only use clear water, no soap.

Avoid excessive rubbing of the surface. Avoid excessive soaking of the surface.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
