Collection Zephyr

## Story behind the collection

In Greek mythology, Zephyros is the god of the west wind. Zephyr is derived from this name and represents a pleasant, gentle west wind. This wallcovering collection is inspired by that very idea. Each design seeks to embody, in its own way, the graceful movement of the wind, expressed through fluid forms and sweeping lines, as if a gentle breeze were drifting into the room.

## Technical specifications

|                  |                                                                                                                     |
|------------------|---------------------------------------------------------------------------------------------------------------------|
| Reference        | <a href="#">48651</a> • Beige                                                                                       |
| Product category | Exquisite                                                                                                           |
| Composition      | Natural wallcovering on non-woven backing                                                                           |
