## Collection Textura Ignis

### Story behind the collection

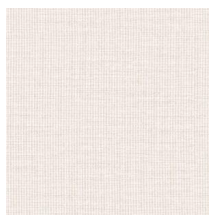

The Textura Ignis wallpaper collection shines a spotlight on surprising textures you wouldn't immediately expect on a wall. Each design is a beautiful interpretation of an exceptional material, from luxurious textiles like silk, wool, and bouclé to sturdy plasterwork and rope. These unexpected textures come to life in high-quality vinyl, with a stunningly realistic appearance. Ignis is the Latin word for fire; a fitting name for a collection that brings warmth and character to any interior.

### Technical specifications

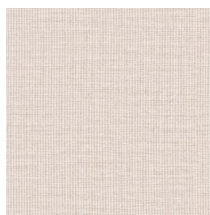

|                  |                                                                                          |
|------------------|------------------------------------------------------------------------------------------|
| Reference        | <a href="#">63505A</a> • Macadamia                                                       |
| Product category | Refined                                                                                  |
| Composition      | Vinyl wallpaper on paper backing                                                         |
| Description      | A highly detailed rendering of a densely woven wool                                      |
| Dimensions       | Rolls of 10.05 m x 0.70 m = 7 m <sup>2</sup> (11 yds x 27.56" = 75 sq. ft.)              |
| Pattern repeat   | Free match 0 cm (0.00")                                                                  |
| Adhesive         | Arte Clearpro or a good quality dispersion adhesive                                      |
