

ABALONE

Collection Luster

Story behind the collection

During the Spanish colonial period, capiz shells were often used in windows instead of glass as they were easier to obtain and also filtered the light nicely. The Latin name of this shell is Placuna placenta, but it is also called windowpane oyster.

Technical specifications

Reference	70322 • Mocha
Product category	Couture
Composition	Natural wallcovering on non-woven backing
Description	Hand-made bow pattern of capiz shells for a striking relief and a luxurious pearlescent sheen
