Collection Textura Ignis

## Story behind the collection

The Textura Ignis wallpaper collection shines a spotlight on surprising textures you wouldn't immediately expect on a wall. Each design is a beautiful interpretation of an exceptional material, from luxurious textiles like silk, wool, and bouclé to sturdy plasterwork and rope. These unexpected textures come to life in high-quality vinyl, with a stunningly realistic appearance. Ignis is the Latin word for fire; a fitting name for a collection that brings warmth and character to any interior.

## Technical specifications

|                  |                                                                                               |
|------------------|-----------------------------------------------------------------------------------------------|
| Reference        | <a href="#">73532A</a> • Teal                                                                 |
| Product category | Refined                                                                                       |
| Composition      | Vinyl wallpaper on paper backing                                                              |
| Description      | An interpretation of woven banana bark in different hues, with small knots and irregularities |
| Dimensions       | Rolls of 10.05 m x 1.00 m = 10 m <sup>2</sup> (11 yds x 39.37" = 108 sq. ft.)                 |
| Pattern repeat   | Free match 0 cm (0.00")                                                                       |
| Adhesive         | Arte Clearpro or a good quality dispersion adhesive                                           |
