

CARE & MAINTENANCE

Collection:	Décors & Panoramiques
Pattern:	Bird of Paradise
Reference:	97570 • Blush
Composition:	Textile wallcovering on non-woven backing
Description:	In bloom, the bird of paradise plant is characterised by its exuberant colours. The colours of the leaves of this South African plant, on the other hand, are deep green. The enlarged print of these hand-painted leaves intrigues with its simplicity and subtle finish in fine linen effect.

During installation:

Carefully dab off any adhesive stains immediately (before the adhesive has dried) with clean water and a soft cloth. Do this after installation of each length.

Maintenance:

First try to apply in an inconspicuous place. Try to remove any stains immediately, before the stain can dry out, by dabbing off the surface with a moist, lint-free, clean white cloth. Only use clear water, no soap.

Avoid excessive rubbing of the surface. Avoid excessive soaking of the surface.

Dust can be wiped off with a damp, lint-free, clean cloth or a brush with soft bristles, or can be lightly vacuumed with a soft bristle attachment to avoid damaging the surface.

Arte can not be held responsible if damage is caused to the product during the cleaning process.
